Seniors for Seniors Contract
(Feline)

To be signed before witnesses at time of adoption.

Please put your initials next to each item to acknowledge you have read and agree to that item:

I understand that this animal remains the property of Maranatha Farm.

Maranatha Farm will provide all medical needs for this animal for the rest of its lifetime. Maranatha Farm will also make all medical decisions.

I promise I will not sell or give this cat away to anybody else.

I promise not to change the name of the cat without permission from Maranatha Farm.

Maranatha Farm will provide all medical needs for this cat for the rest of its life. That does not mean I take the cat to the vet and send them the bill. It means I contact Maranatha Farm when the cat needs something and they will come get the cat and have it tended.

In case of a real emergency I will take the cat to a vet and contact Maranatha Farm when I'm on the way. A list of Maranatha Farm veterinarians is attached.

I agree to always provide the cat with adequate good quality food. Should the cat require a special diet or prescription diet that will be my responsibility.

Flea control is also my responsibility.

The cat I receive will be spayed or neutered, have all its vaccinations up-to-date, will have been tested Negative for Feline Leukemia and HIV. I will receive copies of all medical records.

I agree to contact Maranatha Farm 2-3 weeks before the cat is due for vaccination boosters each year to allow time for them to pick up the cat and get the shots done on time.

I promise not to get the cat de-clawed.

If the cat is longhaired I agree to provide daily brushing to prevent the formation of mats. I may take it to a professional groomer if I wish to do so, at my own expense.

I promise not to ever let the cat go outside.

Allowing the cat onto a screened porch is permitted so long as the yard is securely fenced to protect the cat from roving dogs or alligators, etc. The screen door or the yard gate must be locked when the cat is on the porch to prevent a visitor from inadvertently allowing the cat outdoors.

If behavior problems arise I promise to contact Maranatha Farm and work with them to correct any issues. I promise never to strike, slap, hit or kick this animal to correct behavior, but to apply humane methods of training and positive reinforcement.

I understand I may return the cat to Maranatha Farm at any time.

Maranatha Farm will provide lifetime free vacation boarding for this cat. Advance notice is required and boarding is limited to 6 animals at a time so holidays need to be reserved as much in advance as possible.

I promise to notify Maranatha Farm of any change in my address or telephone number, and to notify them of any illness, loss or death of the animal.

I acknowledge that Maranatha Farm has the right to take this animal back at any time if they believe I am failing to care for it properly, without notice.

I understand that this Application is property of Maranatha Farm. I acknowledge receipt of a copy of this Contract.
